Diabetes Programme

Life with diabetes

Unfortunately, diabetes cannot be cured, but you can find a way to live with such disease. Hotel Richmond offers 2 weeks long spa rehab program with procedures which can help people suffering from diabetes to prevent or reduce possible complications. Important part of the program is basic medical examination where the patient's treatment will be carefully selected.

THE TREATMENT INCLUDES:

- pearl or CO₂ bath
- whirl bath
- physical gymnastic in group
- pneumopuncture
- classical partial or underwater massage
- dry carbonated bath
- drinking cure
- medical report
- swimming pool and sauna free of charge

THE PROGRAMME INCLUDES:

- stays in a double/single room with bathroom, telephone, TVset, minibar
- full board - dietary regimen
- basic medical examination
- 1 x control medical examination
- laboratory test

Prices in EUR per person / week / 2 weeks
